

Salt & Pepper Christmas Menu 2009

Cozy Christmas Dinner at Salt & Pepper

Thanksgiving just is over and Sinterklaas has still to come but no excuse to not prepare for Christmas.

Specially for big groups and companies we put together a nice 3 course dinner. With this dinner everybody will receive a free glass of champagne to let the Christmas feeling get started. Details about this 3 course dinner you will find on the next page.

No special menu but still a special night

You don't have to get our Special Christmas Menu. You can also choose with your group to order from our regular menu, for example make it a Tapas night with our homemade Sangria. You can always contact us for information.

On our website www.saltandpepperaruba.com you can find our regular menus and prices.

Something for everybody

Everybody is welcome at Salt & Pepper! Young, old, vegetarian, diabetic, small groups, big groups... You can always call us for special requests. We can also adapt our Christmas Menu so it will fit special requests for vegetarians or allergies. Please let us know in advance.
