TAPAS HISTORY

Nobody likes a fly in their drink. That's why the Spanish came up with the clever idea to put a little plate over the drink and when time passes by they filled these plates with little bites. TADAH! There are your TAPAS. Great as appetizer or combine 3 or 4 Tapas and you have a good main course.

What goes with TAPAS? Our home made SANGRIA!

S&P SUNSET SPECIAL

Order a main course of our 'daily specials' or a minimum of 3 tapas (per person, min 2 persons) and we will give you half a liter of our delicious home made Sangria for free!!

Valid from 5:00 to 7:00 PM
